1. About once a month you have been receiving from this Office a map list of "Recently Completed Projects" from which you request those of interest to your government.

2. We wonder whether you would prefer to receive an automatic dissemination of maps on a monthly basis based upon your indicated areas of interest. If so, would you please provide me with a list of areas on which you normally need maps and any other requirements and restrictions as to scale and type.

Sincerely,

25X1A
